

SPONSORSHIP BROCHURE

FROSTHACK - Open Hackathon organized by student community of IIT Mandi with the goal of solving societal problem by collective collaboration among students using tech.

Why Sponsor FrostHack?

1. BRANDING AVENUE

FrostHack has a [website](#), [Facebook](#) and [Instagram](#) Page. Your company will be promoted and recognized as a sponsor via all our social media pages, prioritized by the level of sponsorship.

Your company logo will be linked to all relevant banners, IDs, decorations, photobooths, certificates, posters and flexboards placed around the campus, based on the level of sponsorship.

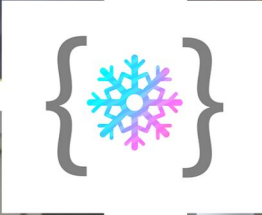

2. LIVE WORKSHOPS AND FEEDBACK

Your company can get live feedbacks or promote the use of their APIs and other products from the hackers participating in the event.

Your company will be given assistance in hosting workshops and tutorials within the campus premises.

Hack36: Intra-college Hackathon

Commitment to Diversity

We at FrostHack believe in making up for the lost opportunities for women by endorsing them in tech through our various schemes and programmes.
To do the same, special prizes are given to the best female team.
